

Assignment 0: Questionnaire

Due Date: 5 pm April 10, 2006

Welcome to BMI 214! To help us target the class properly towards you the students we would like to ask a few questions about your background in biocomputation. To complete this assignment:

- 1) log in to one of the elaine machines
- 2) go to `/usr/class/biomedin214/bin`
- 3) run the python script `assignment0.py` by typing: `python assignment0.py`
- 4) answer away!!
